## GENERAL NOTES

Although the REAL TUBE REVERB is ruggedly housed in heavy-gauge steel, care should be given to the unit as tubes are made from glass. Avoid physical abuse. Your REAL TUBE REVERB has been designed for prolonged periods of continuous use without overheating or damage. *NOTE: This unit does produce certain amounts of normal heat. BE SURE TO ALLOW PROPER VENTILATION ABOVE AND BELOW UNIT.*

## WARRANTY

Your TUBE WORKS product is warranted for a period of ONE year against defects in workmanship or materials in the electronic components. The speaker(s), reverb tank and cabinet (if applicable) are warranted for a period of ninety (90) days. This warranty applies only to the original registered owner provided he/she has returned a completely filled-out OWNER'S REGISTRATION CARD within fifteen (15) days of purchase. This warranty covers parts and labor only; shipping charges remain the sole responsibility of the owner. Damage due to misuse, modification or abuse is excluded from this warranty. If service is required, you must contact Genz Benz Enclosures/Tube Works for a **RETURN MERCHANDISE AUTHORIZATION NUMBER (RMA)** by calling 480-941-0705. Whenever possible please use original packaging material for all returns, this will insure that the units are not further damaged in transit.

## WARNING!!!

The use and operation of this device constitutes an agreement of full release of any and all liability connected with such use. Only personnel familiar with high-power audio equipment should attempt to operate this device. In addition, by the use of this device, user agrees to hold Genz Benz Enclosures/Tube Works, its designers, sales agents and all other affiliates and related parties harmless in the event of any accident, injury, damage or loss resulting from such use. Manufacturer's sole responsibility is to provide a warranty on the specified performance of the product under normal conditions for a one-year period.
